Please note we are featuring our new Cooper Endeavor and Endeavor Plus. In addition, we are combining our popular Cooper all-season tires and winter tires into one strong consumer promotion.

Key notes about mailed kits this fall:

Since Covid-19, we have noticed a significant increase in consumers submitting their reward online instead of mailing in the form. To further enhance the online experience, we included a consumer rewards “QR” code with the kits. This will allow consumers to easily scan the QR code with the camera on their smartphone to allow quick and easy access to the Cooper redemption portal, making this more of a hands-free process.

Mailed kits this fall will include a letter, 8.5”x11” window/wall cling which will include a visible QR code, and one consumer rewards pad (50 forms). You will also receive recommended instructions about how to effectively promote the new QR code and window/wall cling.

Please note: extra electronic rewards forms and terms and conditions are available at www.coopertireadstore.com
